

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

## CERTIFICATE.

Office of the Auditor General,  
Harrisburg, Pa., January 19, 1914.

I hereby certify that, according to the reports made to me by R. K. Young, State Treasurer, on oath, showing the condition of the Public Treasury, and the deposits in the several banks, the balance in the Treasury on November 30, 1913, was \$7,564,269.78.

Due Department in solvent banks and banking institutions, General Fund, .....	\$6,765,497 50
Due Department in solvent banks and banking institutions, Sinking Fund, .....	797,830 81
Balance in the State School Fund, .....	941 47
	<hr/>
	\$7,564,269 78
	<hr/>

Witness my hand and seal of office the day and year above written.

A. W. POWELL,  
Auditor General.

Total payments for the month of July, 1913, ..... \$2,604,696 42

NOTE. In addition to the foregoing receipts and disbursements for the month of July, 1913, there was received from the United States Government its Warrant No. 150, payable to the treasurer of the State of Pennsylvania in the sum of fifty thousand dollars (\$50,000.00) under the provisions of the Acts of Congress of August 30, 1890 and March 4, 1907, providing for the more complete endowment and maintenance of colleges for the benefit of agriculture and mechanical arts. This money belonged to The Pennsylvania State College, that institution having been designated by the Legislature of Pennsylvania by Act of May 20, 1890, as the proper institution to receive the same. The Warrant was duly endorsed by the State Treasurer to the Treasurer of the Pennsylvania State College, and forwarded to him, and the Treasury Department holds his receipt for the same.
